Result of Video Creation Competition

This institute organized **Video Creation Competition** during lockdown period from 4th May to 17th May 2020. We received huge response for from Colleges all over Maharashtra. In all, 133 entries were received. Majority videos were very nicely created by the students. It was tough task for the Jury to select 3 best entries.

Based on the criteria for the competition, following are the winners. It will be interesting to watch the creativity of the students. The links are also given.

| | Name | College Name | Video Topic | Video youtube link |
